(*) Lawyers who are listed for the first time in Best Lawyers

Best Lawyer awards are compiled by conducting exhaustive peer-review surveys in which leading lawyers confidentially evaluate their professional peers. Established in 1981, Best Lawyers in America® recognizes only the most elite lawyers in the nation across nearly 150 practice areas. In its 30th edition, a record breaking 19.7 million historical and 2.8 million new evaluations were considered from the US, with around 5% of all lawyers in the country identified this year's exclusive group of Best Lawyers honorees.
