

Five Tips for Using Proportionality to Limit Wild Goose Chases in Discovery

The American Bar Association has published an article written by PS&H partner Paul Kessimian titled, *Five Tips for Using Proportionality to Limit Wild Goose Chases in Discovery*.

The article expands on 5 practical and insightful tips to make discovery more streamlined and efficient:

- Cooperate with Opposing Counsel
- Document Your Cooperation and Disputes
- Meaningfully Respond to Discovery Requests
- Support Any Discovery Motions with Specific Facts
- Consider Reasonable Parameters to Discovery and What Will Be Searched
