

# Commercial Finance Trends Shaping Rhode Island's Market, Chambers USA – Rhode Island

## Description

As commercial lending and financing transactions continue to evolve amid shifting economic conditions, regulatory scrutiny, and market uncertainty, Rhode Island remains an active jurisdiction for sophisticated banking and finance activity. In her latest contribution to [Chambers USA: Trends & Developments](#), [Amy T.M. Oakley](#), Partner & Co-Chair of the Commercial Finance Practice at PSH, examines key developments shaping commercial finance transactions in the state.

Amy's article provides timely insight into lending structures, borrower – lender dynamics, and the legal considerations influencing financing strategies across Rhode Island's commercial landscape. Her analysis highlights how market forces and legal frameworks intersect in today's banking and finance environment – offering practical guidance for lenders, borrowers, and advisors navigating complex transactions.
