

Nonprofits Must Review their DEI Employee Initiatives

Description

As federally-funded nonprofits scramble to review their DEI initiatives impacting those who receive their services, all nonprofits – regardless of funding sources – need to also review their employment related DEI programs.

[Elizabeth O. Manchester](#), Chair of Partridge Snow & Hahn's [Nonprofit & Tax Exempt](#) Practice Group, and [Alicia J. Samolis](#), Chair of Partridge Snow & Hahn's [Employment & Labor](#) Practice Group, recently teamed up to share their insights regarding how the new EEOC and DOJ guidance impacts nonprofit employment practices in an article published by *NonProfitPRO*. Read the full article [here](#).
