Best Lawyers, established in 1981, is the oldest and most respected peer-review publication company in the legal profession.

Best Lawyer awards are compiled by conducting exhaustive peer-review surveys in which tens of thousands of leading lawyers confidentially evaluate their professional peers. The 29th edition of The Best Lawyers in America recognizes only the top 5.3% of elite lawyers in the nation across 150 practice areas. They saw a 17% increase in votes received for 2023 over 2022. More than 12 million evaluations were considered, including submissions from lawyers with whom they've opposed in court, to identify this year's exclusive group of Best Lawyers honorees.
