

PS&H was acknowledged as the top ranked bond counsel in Rhode Island for 2016 by The Bond Buyer

Description

PS&H was acknowledged as the top ranked bond counsel in Rhode Island for 2016 by *The Bond Buyer*, the preeminent public finance publication. While *The Bond Buyer's* rankings focus on certain types of transactions where a firm serves as bond counsel, another notable achievement not captured by the rankings is that 2016 was the first time in the firm's history that our public finance group was involved in the issuance of over \$1 billion in tax exempt securities in a single year. Congratulations Public Finance Group.
