

Alexander “Sasha” Meyer

Associate

Alexander “Sasha” Meyer is an associate in the firm’s Real Estate, Commercial Finance, and Business & Corporate practice groups. His practice focuses on commercial real estate transactions, including acquisitions and dispositions, leasing, land use matters, and development-related projects.

Before entering private practice, Sasha served as an Artillery Officer in the United States Marine Corps and later worked as a Project Manager for Eversource Energy, supporting utility operations across Eastern Massachusetts. His leadership experience and project management background allow him to approach legal matters with a practical, solutions-oriented perspective.

Sasha works closely with clients to navigate complex real estate and business transactions, helping them move projects forward efficiently while addressing regulatory and operational considerations.
