

Big Brother Big Sisters of the Ocean State – Big Night Out

Proceeds from The Big Night Out will benefit BBBS mentoring programs. Gifts to the mentoring program supports the children by:

- Connecting them with a positive adult role model in a long-term, one-to-one mentoring relationship.
- Enhancing their soft skills through workshops, fieldtrips and activities aimed at helping them to learn and grow.
- Empowering them to advocate for themselves and think critically to avoid harmful or negative situations.
- Showing them alternative life-paths and opportunities they may not otherwise encounter.
