

American Heart Association – Go Red for Women Event

PS&H was a proud sponsor of the American Heart Association's 2018 Go Red for Women Event.

The Go Red For Women Luncheon is an annual celebration of the American Heart Association's commitment to raise awareness about heart disease and stroke in women. Heart disease and stroke remain the nation's leading health threats to women but there is good news. These diseases are 80% preventable with education and lifestyle changes. Guests are invited to wear red, share stories of prevention and survival, and advocate for women's heart and brain health.
